

**ENGINEERING
SPEED**

Student Day at the 50th Annual Houston AUTORAMA

**Friday, November 27, 2009
at the George R. Brown Convention Center**

for middle school, high school, and community college students
Parents and teachers are also welcome. Everyone must **register online**.
You are responsible for your own transportation.

**Attend the *ENGINEERING SPEED* program @ 9:30 a.m.
and get a free VIP Pass*.**

***The VIP Pass is good for entry to AutoRama for the entire weekend
and includes a free hot dog and soft drink on Friday.**

See America's best hot rods, custom cars and bikes.
<http://www.autorama.com/>

You **MUST register online in order to attend the program!
There will be **no** registration at the door.
Seating is limited, so register right away.**

**For more details about Student Day,
the *ENGINEERING SPEED* program,
and to **register online**, go to
<http://cee.rice.edu/autorama/>**

Schools with auto shop programs that have 5 or more students attend Student Day will be registered to win prizes from Miller Welding, Meguiar's Polishes, and Mac tools.

Houston AutoRama Student Day is sponsored by Rice University's Center for Excellence and Equity in Education with the generous support of Boyer, Inc., Sprint Waste Services, and John O'Quinn's Classic Car Collection.
